

News Announcement

Pulsar360 introduces new, low-cost VoIP offering **P360 Pro**

For customers who don't require advanced features

August 17, 2020

Pulsar360 today announced a new VoIP offering: **P360 Pro**, allowing you to offer a lower-cost alternative to your customers who don't need advanced features like Call Centers.

Your customers can now have a powerful Hosted PBX solution that gives them mission-critical features at a low, budget-friendly price.

With **P360 Pro**, customers still have access to:

- Dozens of features,
- Reliability of 99.999% uptime,
- Ease-of-use, and
- Unparalleled North-American-based Customer Support

**Learn more about
P360 Pro**

Moving to the cloud has never been so affordable.

Trusted Partner that offers you more

At Pulsar360, we are focused on providing your business with the tools you need to succeed to give you the competitive advantage you are looking for. When you have a trusted partner that gives you better pricing and the richest recurring revenue model in the industry – the rest is easy.
