

Pulsar360, Inc. Receives 2018 INTERNET TELEPHONY Product of the Year Award

Littleton, CO – February 28 2018— Pulsar360, Inc. announced today that they received the *INTERNET TELEPHONY* Product of the Year Award for 2018. These awards recognize the most innovative and highest quality IP communications brought to market in the past year.

“We are especially thrilled to be recognized for the third year in a row by INTERNET TELEPHONY for our PBX Hosting and Premise Based PBX solutions. We are constantly striving to excel and improve our product and service offerings to meet the demands of our clients and partners. At Pulsar360, Inc excellence is our main objective and providing our clients and partners with exceptional customer service and support,” stated Bob Harrison, Chief Channel Officer.

“It gives me great pleasure to recognize Pulsar360, Inc., with the Product of the Year Award for 2018. I have always been impressed with their commitment to excellence and innovation,” said Rich Tehrani, CEO, TMC. “In the opinion of our distinguished judges, Pulsar360, Inc.’s PBX Hosting and Premise Based PBX have proven to be among the best IP communications solutions available on the market. I look forward to continued innovation from Pulsar360, Inc.
