Pulsar360, Inc. Receives 2019 INTERNET TELEPHONY Product of the Year Award

Littleton, CO, April 9, 2019 - [Pulsar360, Inc.](#) recently received the INTERNET TELEPHONY Product of the Year Award for 2019. This award recognizes the most innovative and highest quality IP communications brought to market in the past year.

"We are extremely honored and excited to be recognized three years in a row by INTERNET TELEPHONY, previously for our PBX Hosting and Premise Based PBX solutions and, in 2019, for our Enterprise Hosted & Premised Based Solution. At Pulsar360, Inc. we are constantly innovating and improving our products to meet the demands of our clients and partners. We take great care to ensure that our customers have the very best products," said Bob Harrison, Chief Channel Officer at Pulsar360, Inc..

"It gives me great pleasure to recognize Pulsar360, Inc. with a Product of the Year Award for 2019," said Rich Tehrani, CEO, TMC. "In the opinion of our distinguished judges, Pulsar360, Inc.'s Enterprise Hosting and Premise Based Solutions have proven to be among the best IP communications solutions available on the market. I look forward to continued innovation from Pulsar360, Inc."

About Pulsar360, Inc.

With origins dating back to 2001, Pulsar360, Inc. is one of the oldest VoIP/digital phone service companies in the United States and Canada. Since then, the company has evolved into a full-service communications provider, offering comprehensive voice, data, and cloud-based solutions.

As an employee-owned company, everyone at Pulsar360, Inc. has a vested interest in customer satisfaction and the success of the company. Pulsar360, Inc. has the lowest attrition rate in the industry and has received numerous awards and recognition, having been recognized as one of the 30 Fabulous Companies of the Year 2018; Number 20 of the 150 Fastest Growing companies in the telecom sector; Product of the Year Award in 2017, 2018, and 2019; one of the top 10 Unified Communications Solutions providers in the U.S; and the Hosted VoIP Award of Excellence in 2016, 2017, and 2018.
